**Craving the Future** - Michael Perman - 2019-05-15

Craving the Future provides radically new perspectives and useful tools for anyone seeking to create a better future. Author and Innovation Executive Michael Perman provides insights from extensive research on how to transform our deepest desires into new, bold, innovative realities. His research reveals fascinating new dimensions to the way culture shapes the concept of craving. Specifically, he has discovered that what people crave in their lives is changing from urgent demands for things like cigarettes, coffee, or even tacos, to more meaningful quests for new sensations and purpose. Craving the Future offers imaginative ideas, methodical tools, and inspiring profiles of innovation luminaries—all mindfully crafted to help you shape what is coming next. The book also features a unique design that makes it delightful to experience, easy to digest, and fun to share.

**Best in Show** - - 2020-02-04

Best in Show is a collection of photographs of well-groomed and award-winning dogs by New York City-based photographer Dolly Faibyshev. The images from the Westminster Kennel Club Dog Show and beyond focus on the unique—and often humorous—relationship between each dog and their handler. Dolly Faibyshev focuses on kitsch, irony, and the larger than life human and canine characters that make up Best in Show. The result is a colorful, vibrant, campy, and satirical take on this specific slice of Americana.

- The colorful, closely cropped juxtapositions of each coiffed canine contestant and their dedicated human are both humorous and charming.
- Sure to delight fans of all breeds of dogs
- A universal and ideal book for all canine lovers with a sense of humor Best in Show

captures a specific subculture of dog devotees primarily from the infamous Westminster Kennel Club Dog Show at Madison Square Garden in New York.

- A perfect book for anyone who is completely and totally obsessed with dogs and the Westminster Kennel Club Dog Show
- Photographers and contemporary art lovers will also love this celebration of Dolly Faibyshev's work
- Great for fans of The Dogist: Photographic Encounters with 1,000 Dogs by Elias Weiss Friedman, Dogs by Lewis Blackwell and Tim Flach, and Underwater Dogs by Seth Casteel

**The Lonely City** - Olivia Laing - 2016-03-01

"You can be lonely anywhere, but there is a

particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, The Lonely City is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls"--

This book is a way for me to take out all my bhadhaas of telling stories with curiosity. I kept on wondering before that how i am going to live with a huge pile of memories which always helps me now to motivate myself. The journey from an average struggling kid to a man who is confident about every decision, I have gained a massive positive attitude and this book is all about this process. Hope everyone will relate to the madness and embarrassing inspirations. Enjoy !

**Light of the Northern Dancers** - Robin F. Gainey - 2017-11-23

Fiery aristocrat, Eden Rose, uprooted from her native Scotland, has tended a foundering marriage and failing ranch at the corner of Crazy Woman Creek and the Powder River for a decade. Best friend, backwoods spitfire Maddie True, has her own woes a few miles away: widowed with a passel of young children, and caretaker to her addled father. Abandoned by her husband during the height of Wyoming Territory's worst drought in history, Eden depends on her inept brother, Aiden, to see her through the coming winter. But when he disappears into the wild Bighorn mountains, she

shuns Maddie's fearful cautions, teaming with enigmatic Lakota holy man, Intah, to find her brother before the wicked snow holds them all hostage. "Light of the Northern Dancers is a powerful novel of a woman's journey, thought-provoking and unsettling in its authenticity and unflinching honesty." — Susan Wiggs, NYT Bestselling Romance Author "Half of what happens to us may have reason, the rest is chaos. Robin F. Gainey's second novel, Light of the Northern Dancers, has this brand of existentialism. It' real and it doesn't let go!" — Tom Skerritt, Award Winning Actor, Writer, Director

**Gendered Electoral Financing** - Ragnhild L. Muriaas - 2019-07-17

Illustrated by in-depth empirical research from six country studies, Gendered Electoral Financing: Money, Power and Representation in Comparative Perspective is the first cross-regional examination of the nexus between money, gender and political recruitment across the world. Money is assumingly one of the greatest barriers to women in the political recruitment process. The financial disadvantage of women is expected to constitute an obstacle for women's entry into politics everywhere and especially in developing countries where women's socio-economic status is disproportionately low relative to men's. This line of reasoning has caused a global upswing in both candidate- and party-directed financial schemes introduced to enhance gender balance in political

office. This book develops a typology of different kinds of gendered electoral financing schemes and builds theories about its causes and consequences. By comparing how gendered electoral financing affects political recruitment processes in both established and emerging democracies, the authors identify whether and how the funding mechanisms incentivize a shift in political behavior. Gendered Electoral Financing is a timely, informative and well-written book that does an excellent job of explaining, in language accessible to students and researchers alike, the cost of elections, gender imbalance in political office and the effects of financial incentive mechanisms to increase women's representation in politics.

**Bubble Head One Slick Chick** - Cari D. Elmore  
-  
Bubble Head is a Crested Polish Banty - One Slick Chick - and a strange-looking chicken that takes on a crafty fox in the first part of this children's adventure book. "I happen to be a stunning chicken. I allow these humans to pet my lovely feathers and tell me I'm one hot chicken,

but of course I know this. It's obvious I'm a chicken worth pick-en." Whether she's strange-looking or lovely, this hip chick will delight young readers as she takes on some worthy adversaries, including a killer fox, and a large snapping spider that appears on Halloween (and if it bites, you become the spider). Does Bubble Head come out on top?
