hospital liability law legal almanac series is available in our book collection an online access to it is set as public so you can download it instantly.

Our books collection spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the hospital liability law legal almanac series is universally compatible with any devices to read

Hospital Liability Law - Margaret C. Jasper - 2011

Hospital Liability Law - Margaret C. Jasper - 2011

The Law of Medical Malpractice - Margaret C. Jasper - 2001

"The obvious audiences for this work are the patients that have suffered from malpractice and the doctors who have treated them, but it will also be of interest to anyone researching the history behind the rising cost of medical care. The work, written by an, begins with a chapter on protecting oneself from medical mistakes. It includes information on researching medical doctors and facilities, getting second opinions, and creating a living will and durable power of attorney. About two-thirds of this volume holds the appendixes, which mainly consist of directory information that will be of help to patients and doctors; state statutes, and sample forms for those prosecuting." Shannon Graff Hysell, ARBA online The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to everyday life and to keep readers informed of their rights and remedies under the law. Each volume in the series presents an explanation of a specific legal issue in simple, clearly written text, making the Almanac a concise and perfect desktop reference tool. All volumes provide state-by-state coverage. Selected state statutes are included, as are important case law and legislation, charts and tables for comparison.

Hospital Liability Law - Margaret C. Jasper - 2008

Hospital Liability Lawexplores the area of law known generally as "hospital liability," the duties and responsibilities a hospital owes to its patients, and the theories under which a hospital may be held liable, including negligence; lack of informed consent and/or informed refusal; unauthorized treatment which may lead to a cause of action for battery; breach of privacy for the unauthorized release of a patient's medical record; and breach of contract. This almanac also discusses the responsibility of the hospital for the actions of its employees, including physicians, residents, interns, nurses, hospitals, mental health professionals, anesthesiologists, and other persons who provide medical care. This almanac examines the elements necessary to prove the various theories of liability that support a prima facie hospital malpractice claim, the defenses to such claims, the litigation procedures unique to medical malpractice, the responsible parties and apportionment of liability, and the damages recoverable. The Appendix provides applicable statutes, resource directories, and other pertinent information and data. The Glossary contains definitions of many of the terms used throughout the almanac.

The Human Body and the Law - Charlotte L. Levy - 1975

Health Care Directives - Margaret C. Jasper - 2007

Patients increasingly demand a voice in making their wishes known at critical points in their medical treatment, and today these wishes are often spelled out in great detail. Do not resuscitate orders, advance medical directives, pain management options are some of the medical choices patients can express through legal instruments such as a living will, or by designating a health care proxy, so that these choices are clear in the event that the patient cannot express them himself. Legal issues concerning a medical providers failure to carry out a patients wishes, religious objections to executing the living will, capacity issues such as age and mental competence, informed consent, right-to-die legislation, and prohibitions against assisted suicide are also covered here. Important topics discussed include living wills and a durable power of attorney. The patient's right to refuse medical treatment is examined, including advance medical directives, health care proxies, do not resuscitate orders, and the patient's right to pain management. The Appendix provides applicable statutes, resource directories, and other pertinent information and data. The Legal Almanac series consists of over 70 handy guides for the lay person on all aspects of the law. Each volume includes an overview of the topic followed by chapters on the major issues in that subject. Each volume contains an Appendix containing several primary source documents as well as practical forms and checklists. A Glossary defines any technical terms used in the text. Contents Include: Chapter 1: The Patient's Right to Participate in Health Care Decisions Chapter 2: What Is An Advance Directive? Chapter 3: The Living Will and Durable Power of Attorney for Health Care Chapter 4: Landmark Right-to-Die Cases Chapter 5: The Patient Self-Determination Act Chapter 6: The Uniform Health Care Decisions Act Chapter 7: Physician assisted Suicide Chapter 8: Anatomical Donations Back matter: Appendixes; Bibliography; and Glossary Appendixes: The AMA Statement on Withholding or Withdrawing of Life-Prolonging Medical Treatment; Sample Do Not Resuscitate Order; Release from Liability for Discontinuing Life-Sustaining Procedures; Informed Consent Agreement; Sample Living Will; Table of State Living Will Statutes; Durable Power of Attorney for Health Care; Sample Living Will with Health Care Proxy; The Patient Self-Determination Act; The Uniform Health Care Decisions Act; The Oregon Death with Dignity Act; Patient Request for Medication Under the Oregon Death with Dignity Act; Attending Physician's Compliance Form Under the Oregon Death with Dignity Act; Statement Regarding Anatomical Gifts; Sample Orgason/Tissue Donor Card.

How to Protect Elders from Harm - James T. O'Reilly - 2009

As an increasing percentage of our population moves into their elder years, there is a growing concern about elder care issues. What constitutes maltreatment? What laws are in place to protect elders from danger? When should a lawsuit be considered? These are just as few of the questions James T. O'Reilly addresses in this publication. The author presents a number of real-life scenarios and offers expert advice on how to prevent harmful situations as well as how to take appropriate legal action if necessary. O'Reilly explores each situation in detail so readers can make informed decisions to maximize the responsiveness of each option. Topics covered include understanding the risks to the safety of elders, how the government protects elders against risk, medication issues for elders and abuse and assault. How to Protect Elders from Harm is a must-have resource for anyone interest in learning more about protecting elders from insufficient care or maltreatment.

Corporate Legal Compliance Handbook, 3rd Edition - Banks and Banks - 2020-06-19

Corporate Legal Compliance Handbook, Third Edition, provides the knowledge necessary to implement or enhance a compliance program in a specific company, or in a client's company. The book focuses not only on doing what is legal or what is right—the two are both important but not always the same—but also on how to make a compliance program actually work. The book is organized in a sequence that follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies, and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach employees in different locations, of different ages or education, who speak different languages. Note: Online subscriptions are for three-month periods.

Elder Law - Margaret C. Jasper - 2001

This Almanac explores the legal, financial, retirement, estate planning, and health care concerns of senior citizens. Additionally, the author discusses Social Security and Medicare programs. Senior citizens will be provided with a general understanding of their rights under the law and a discussion of legal services, pensions, investing, retirement planning, purchasing life insurance, making a will, and health care choices. A glossary is included. The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to everyday life and to keep readers informed of their rights and remedies under the law. Each volume in the series presents an explanation of a specific legal issue in simple, clearly written text, making the Almanac a concise and perfect desktop reference tool. All volumes provide state-by-state coverage. Selected state statutes are included, as are important case law and legislation, charts and tables for comparison.
